Hoe kan 'n mens ooit verkeerd gaan met die bloed. Pa is gekoop op wyle James Jennings se uitverkoop uit die blou bloed! Hy is en was 'n uitstaande stam mannetjie. Julie is verkoop vir R72 000 die dag. Hierdie duiwe (nadat ek baie ander rasse duiwe ingevoer het) bly nog steeds van die beste. Die hen is 'n volsuster van Helen, Charles Carlson se nommer een teelhen. Hy het 'n hele familie rondom Helen en haar suster gebou. Charles Carlson wen in 2019 meer as 20 klub wedvlugte met die Spritzzy duiwe. Vir my teel en wen hulle ewe goed.
